

## Family holidays...

Paganella plateau, at the feet of Brenta Dolomites in the middle of Adamello Brenta Nature Park, a place to discover during your family holiday in Trentino.

**There are many places to find out together with kids, from the green beach of Molveno Lake to the steeples of Brenta Dolomites and the peaks of Paganella.**

**SARNACLI MOUNTAIN PARK:** educational path surrounded by nature with 13 places representing the topic points of Brenta Dolomites. Easily reachable from the village, easy walk about 500 m long inside the forest.

**SCIURY:** didactic path tied to the life of the squirrel in Pradel area in Molveno, indicated for children but very interesting for adults too. It represents a marvellous immersion into nature exploring the behaviour of one of the most interesting inhabitants of our forest.

**FOREST PARK - ADVENTURE** in Pradel area, easy to reach in 5 minutes thanks to the new gondola "Panoramica" from Molveno, has been created the Forest Park, adventure centre with six proposals of different level and difficulty to be tried together with guides.

**EDUCATIONAL FARM** special places where adults and children meet the true mountain life. Paganella plateau offers agritur and farms where get in contact with animals and their behaviour, learning how to produce the cheese and tasting local products with the real taste of tradition. Malga di Fai in Paganella, on the side of Fai della Paganella; Malga Tovre in Pradel area, reachable by lift from Molveno; Malga Val Brenzi on Spormaggiore side;

**WILDLIFE PARK** in Spormaggiore. In the big area sized 7000 sqm, it's possible to observe in a natural context three bears. Furthermore there are other wild animals as wolf, owl, wild cat, fox, lynx and the domestic animals as goat, rabbit, hen, guinea fowl and pony.

**PLAYGROUD AREA** outdoor with slides, see-saw, spring games available all year round from the morning till the evening. Kids will have the possibility to choose between different games and amusements: the electric baby-cars, inflatables and minigolf 18 holes.

**WINTER PARK and FUN PARK** playground areas in the village with inflatables, snowtubing, bob and sleigh you can rent on the spot for long and exciting tracks, with easy ascent by tapis roulant.

**SWIMMING POOL CENTRE** both indoor and outdoor, with slides and water games. Relax and wellness open air in the mountain, with Acqua park in Molveno and Andalo with special view on Brenta Dolomites.

**RIDING SCHOOL** ride the horses in the centre 40 x 80 meters or along the paths nearby. Excursions with horse sleigh, rides in the forest and funny ponies for the kids.

**BIKE FOR FAMILY:** more than 400 km of itineraries for every kind of mountain bike and level: easy proposals suitable for kids, e-bike, guided tours with different services for the youngest bikers.

**LIBRARY** with many different proposals for the kids in every season, with over 40.000 books and 4000 media files.

**BIBLIOIGLOO** the first library in a big igloo at 1333 meters of altitude. Located in Prati di Gaggia area, easy to reach by lift Laghet-Gaggia. Beyond reading, here the kids can experience the labs of culture - art - nature.

**DOSSON PARK** (mid station of Andalo - Doss Pelà lift, 1480m high): outdoor area with inflatables for kids over 5 years old monitored by qualified staff with different kind of activities.

**BABY ROCCIA MINICLUB** a big indoor space for kids of different ages, with games, labs and many activities.

**EXCURSIONS** suggested area for simple walks, also with strollers. Easy access to the mountain thanks to the lifts, for a 360° view surrounded by mountains.

**GO KART** circuit on slippery track in Andalo, Laghet area, open both in summer and winter for exciting challenges.

**MOLVENO LAKE** besides all sport activities, on Molveno Lake it's also possible to rent row and motor boats, standard pedal boats and electric ones, in order to fully enjoy the relax of the crystal - clear waters of the most beautiful lake in Italy.
