

## Skiarea Paganella

**In the heart of Brenta Dolomites**, is one of the best places where to ski in Trentino, thanks to a modern skiarea with **50 km of large slopes, 1100 m of vertical drop and snowmaking facilities on 100% of the slopes.**

Easy to reach from the airports of Verona, Milan - Bergamo and Innsbruck, just 20 minutes by car from San Michele exit on A22 motorway.

Paganella Ski is part of the Skirama Dolomiti carousel: with an unique pass is possible to ski in the ski areas of Monte Bondone, Folgaria, Madonna di Campiglio, Pinzolo, Folgarida-Marilleva, Passo Tonale and Pejo.

**SKI:** 4 ski school areas for kids, slopes for beginners, red slopes and a black one for experts, slopes for trainings and races, 360° panorama view on Garda Lake, Brenta Dolomites and Trentino; there is a complete offer for every skier.

**NORDIC SKI:** different proposals in the forest, with a lighted track 3 km long around the lake of Andalo.

**SKI TOURING:** exclusive track within the skiarea, besides many other possibilities in the surroundings.

**SNOWBOARD:** composed by an easy and an expert zone, it offers different proposals for every level.

**SNOWSHOES:** snowshoeing surrounded by the Brenta Dolomites is a true adventure across the natural white colour of snow.

**NIGHT SKIING** for the lover of skis, the possibility to ski by night along the easy slope Cacciatori 1, starting from the mid station of the gondola Andalo – Doss Pelà. Track of 3 km completely lighted to enjoy the skiing in the moonlight.

**SKIPASS:** a unique ticket for the slopes of Fai della Paganella and Andalo with different solutions, from hourly tickets to daily and weekly ones.

**14 MOUNTAIN HUTS** with marvelous views, focusing the attention to the best culinary tradition of Trentino and Italy, involving local companies and producers in order to offer a tasting experience tied to territory.

# SKI

**7 SKI SCHOOLS** with more than 190 ski and snowboard instructors.

**1 TOBOGGAN RUN** in the mountain on Fai della Paganella side. This track is dedicated to the lovers of fun on toboggan, both kids and adults. long 880 m, 3-5 meters large.

Andalo and Paganella Ski constitute the official European training centre of Norwegian Ski Team, represented in last years by Aksel Lund Svindal. In the past, for many years Paganella Ski has been the training centre of US Ski Team with Bode Miller and Ted Ligety. Athletes of top level that prepared here in Paganella the basis of their success, an important confirm of the value of the skiarea.

The Olimpionica 2 slope is also used every year for two races of the European ladies Cup.
